

**OUTA EVERYTHING      Kevin Whalen**

**I'm outa work - I'm outa cash  
I'm outa credit - outa money - outa stash  
I'm outa touch - I'm outa time  
I'm outa patience - outa luck - I'm outa line  
Think I might be going - outa my mind**

**I'm outa room - I'm outa space  
I'm outa prayers - outa blessings - outa grace  
I'm outa chords - I'm outa tune  
I'm outa step - I'm outa rhythm - outa moves  
Seems that I have slipped – outa my groove**

**I'm outa breath - I'm outa pocket  
I think my shoulder might have slipped outa socket  
I'm outa gear - I'm outa sync  
I'm outa thoughts - I'm outa words - I'm outa ink  
Feels like I am hanging – out on the brink**

**I'm outa dreams - so I got outa bed  
I'm outa milk - outa sugar - outa bread  
I'm outa smiles - I'm outa cheer  
I'm outa whiskey – outa wine - I'm outa beer  
Gota get outa Dodge – gota get outa here**

**I'm outa rhymes - I'm outa reasons  
I'm outa choices - outa sorts - Hell, I'm outa season  
I'm outa sight - I'm outa view  
I'm outa questions - outa answers – outa clues  
And all this shit just happened - right outa the blue**

**I'm outa options - I'm outa plans  
Things are very quickly getting - outa hand  
I'm outa the loop - outa the fray  
Outa control - outa my head - outa things to say  
Seems that I have run - outa runway  
If I were you I'd stay - the hell outa my way.**
