

Maple's Lullaby

Maple, Maple – close your weary eyes
Maple, Maple – there's the nighttime sky
Maple, Maple – hush now don't you cry
Maple, Maple – here's your lullaby

Maple, Maple – time to go to sleep
Maple, Maple – Sandman's counting sheep
Maple, Maple – sweet child don't you weep
Maple, Maple – hope your dreams are sweet

Maple – your toes and fingers curled
Maple – you're a grand and precious girl
Maple – welcome to this world

Maple, Maple – nighttime now is gone
Maple, Maple – curtains now undrawn
Maple, Maple – such a mighty yawn
Maple, Maple – wake up to the dawn

Maple, Maple – we'll have so much fun
Maple, Maple – we'll skip and play and run
Maple, Maple – we'll go till the day is done
Maple, then we'll – watch the setting sun

Maple – your toes and fingers curled
Maple – you're a grand and precious girl
Maple – welcome to this world

Maple, Maple – You and I share names
Maple, Maple – we have names the same
Maple, Maple – so glad you finally came
Maple, Maple – little Maple James

Maple, Maple – close your weary eyes
Maple, Maple – there's the nighttime sky
Maple, Maple – hush now don't you cry
Maple, Maple – here's your lullaby --- Here is your lullaby
