

Gimme Some Sugar

Kevin Whalen

Gimme some sugar, Babe - I like it a lot
Sprinkle it around - I will tell you when to stop
I sure like sugar - Gives my step some hop
And everybody knows that everything is better
With a little bit a sugar on top.

Gimme some chocolate, Baby - Dark, milk or white
For any kind a chocolate - I've been known to fight
I sure love chocolate - The taste is outa sight
And everybody knows that everything is better
With a little bit of chocolate - All right

Gimme some music, Babe - Folk, jazz or blues
Any kind of music - Darlin, you can choose
Gimme some music - Won't you play me a tune
Cus everybody knows that everything is better
With a little bit of music - It's true

Gimme some whiskey, Baby - Straight and smooth
It's been a long damn day - Gota get back my groove
Gimme some whiskey - make it 100 proof
Cus everybody knows that everything is better
With a little bit of whiskey - No ice cubes.

*Gimme sugar and chocolate - If you would - if you could
Gimme music and whiskey - Makes me feel so good
But let's be clear - When push comes to shove
There's just one more thing - I want a little - bit of*

Gimme some lovin, Baby - Please, please, please
Your sweet lovin - Leaves me weak in the knees
I Love your lovin, Darlin - Don't be a tease
Cus everybody knows that everything is better
With a little bit of lovin and squeazen

Yeah, everybody knows that everything is better
With a little bit of sugar - And a little bit of chocolate
And a little bit of music - And a little bit of whiskey
And a whole lotta lovin its true
